

Treviso Bay Master HOA Turnover Inc.

Fundraising Update

Thanks so much to those of you who have made donations to our turnover effort. With your generous donations, **we have met our fundraising goal!**

We have received **\$59,850 from 540 donors in 3 months! All donors are recognized in the listing below.**

Based on the amount of funds identified as needed for turnover activities the donation level to fund requirements has been achieved. We sincerely thank those members who contributed to this endeavor.

A full accounting of funds expended will be provided at the conclusion of the turnover process and disposition of unused funds and any potential credit for donors will be the responsibility of the newly elected owner HOA Board.

A copy of the Steering Committee's last report, published on June 12, can be accessed [HERE](#) or at: <https://cdn.cybergolf.com/images/1316/HOA-Update-2.pdf>

Sincerely,

Master HOA Steering Committee
