Subject: Thank you - Variable Stipend

I would like to thank Jan Jacobsen, Heidie McCauley and Vince Steed for all the hard work and time that they put into preparing the variable stipend forms for their programs for submittal to the state for fiscal year 2002.

Although CCBC relies on variable stipend grants to directly fund valuable programs such as visual tech, electronics and CIS, the awards from these programs are a benefit to the entire college.

Thank you Jan, Heidie and Vince for a job well done!

Karen
